

Α' ΤΑΞΗ

PART A

Dear Sharon,

Hi! How are you? I had a fantastic time while on holiday. I went to Wales with my parents. We travelled there by train. We stayed in a lovely hotel by the sea. We spent every morning on the beach. The sea was very warm, so we all went swimming. We had a picnic on the beach at lunchtime and in the afternoons we walked around the town. I bought a lot of nice souvenirs.

On Wednesday evening we went to the theatre. My parents enjoyed the play but I found it boring.

On Saturday we visited the zoo. There were lots of animals there. I took some photographs of the monkeys and the lions. We returned home on Sunday morning.
