Hi Leo,

How are you? I'm fine. It's Friday afternoon and I haven't got any homework, so I've got some free time. On Friday afternoons I usually watch TV or play with my friends.

School is boring. Boring classes, boring teachers. Every day we start school at 8:30 and finish at 2:30. We have two breaks. We usually go to the canteen and get milk or a sandwich. Then we play in the playground.

At school we all wear a uniform. I hate uniforms. My favourite subjects are French and English. I like computer lessons too, but we haven't got computers at school.

What's your school like? What's your favourite subject? Who's your favourite teacher?

Write soon and tell me.

Cheerio,

Oscar
