A. Text: "Why? War Zone", Unit 14, Without Borders 2

Suddenly, war came to my village. Three of my neighbours were injured, and were taken to hospital in an ambulance. Dozens of farm animals were killed, and most of the crops were destroyed. The fire brigade was called to lots of buildings that were on fire. It was like a scene from a horror film – emergency sirens, soldiers with weapons, and black smoke everywhere. The house next door was hit by a bomb, and now it hasn't got a roof. The family were on holiday, and we were looking after their dog. - Now, at last, the fighting has stopped.
